AMENDMENT AND RESPONSE

Sir:

This *Response* is filed in reply to the Office Action mailed on October 1, 2002, in the above-identified application. A petition for extension of time for one month is also filed and requested in the accompanying transmittal letter along with the corresponding fee in the amount of \$110.00.

In the Claims:

Please cancel claims 6 and 16.

Please amend claims 1, 7, 8, 9, 13, 17 and 18 as follows:

sub B1
1. (once amended) An air cooled gas discharge detector comprising:
a sapphire gas discharge tube having an outer surface;
an air passageway in contact with at least a portion of the outer surface of the gas discharge tube;
an entry aperture for introducing air into the air passageway;
an exit aperture for allowing air to flow out of the air passageway; and
an air source for supplying a flow of air into the entry aperture for cooling the outer surface of the gas discharge tube.

A2 sub B1
7. (once amended) The detector of claim 5 wherein the air source is an on board air pump.

8. (once amended) The detector of claim 5 wherein the air source is a central compressor.

9. (once amended) A method of cooling a gas discharge tube in a gas discharge detector comprising:
